

# BEACONS

## 7945 & 7950 Series LED Beacon

The 7945 & 7950 Series beacons combines all the major benefits of the latest LED technology with a traditional, strobe style housing at a price point comparable to a strobe. Available in either 5" or 7" height profiles the 7945 & 7950 is suitable for a wide range of applications where an SAE Class I & II light is required.
